

## Wednesday, 5th October

Room	Auditorio	Salón el Doblón	Salón el Comendador	Salón el Escudo
16.00-16.50h	Live case # 1 TAVI "Valve in an Aortic Bioprosthetic Valve"			
16.50-17.40h	Live case # 2 PCI in UPLM disease			
17.40-18.30h	Live case # 3 Percutaneous Treatment of Mitral regurgitation			
18.40 -19.10h.	Coffee Break			
19.00-21.00h.		Focused Symposia #1 Drug Eluting Stents. From Consolidation to Innovation	Focused Symposia #2 New Evidences and Guidelines of Antiagregation and Anticoagulation in Acute Coronary Syndromes & Percutaneous Interventions	Focused Symposia #3 Nursing and Technicians in Interventional Cardiology

## Thursday, 6th October

Room	Auditorio	Salón el Doblón	Salón el Comendador	Salón el Escudo	Salón Jardín	Salón Escorial
8.00-8.10h	TEAM 2011 Course Presentation: Dr. E. García					
8.10-8.40h	Live Case # 4					
8.40-9.10h	Live Case # 5					
9.10-9.25h	Dr. Andreas Grüentzig Lecture Introduction: Dr. C. Macaya Topic: Therapeutics options in patients with severe aortic stenosis after PARTNER Trial. Speaker: Dr. M. Leon	Practical Skills with Phantoms in Interventional Cardiology from 9.00 to 12.30	Practical Skills with Phantoms in Interventional Cardiology from 9.00 to 12.30			
9.25-9.55h	Live Case # 6			Pausa Café		
9.55-10.30h	Coffee Break			Pausa Café		
10.30-11.00h	Live Case # 7					
11.00-11.30h	Live Case # 8					
11.30-13.00h	Round Table Meeting with the Leaders of the Change in Interventional Cardiology.  Introduction: Dr. E. García Moderators: Dr. M. Leon, Dr. M. Buchbinder  Topic: Percutaneous Coronary Interventions Historic Perspective of their Contribution, Consequences, Future Previsions and Necessary Medias.  Speaker: Dr. P. Serruys Speaker: Dra. M.C. Morice Speaker: Dr. A. Colombo  Topic: Structural Percutaneous Interventions Historic Perspective of their Contribution, Consequences, Future Previsions and Necessary Medias.  Speaker: Dr. A. Cribier Speaker: Dr. E. Grube Speaker: Dr. T. Feldman  Conclusions: Dr. M. Leon					
13.00-13.15h	Break					
13.15-14.45h		Simposia # 1 Sponsored by an unrestricted grant of ABBOTT	Simposia # 2 Sponsored by an unrestricted grant of MEDTRONIC	Simposia # 3 (Room TBD) Sponsored by an unrestricted grant of BOSTON SCIENTIFIC	Simposia # 4 Sponsored by an unrestricted grant of IHT	Simposia # 5 Sponsored by an unrestricted grant of Cordis, Biosensors, Baum, Palex, Hexacath, Biotronic, Terumo.
15.00-15.30h	Live Case # 9					
15.30-16.00h	Live Case # 10					
16.00-16.30h	Live Case # 11					
16.30-17.00h	Lecture: Late Interpretation of SINTAX Trial Results. Practical Consequences.  Surgeon Point of View: Dr. J. L. Pomar Unprotected Left Main Coronary Treatment: Dr. M. C. Morice Multivessel Coronary Disease Treatment: Dr. P. Serruys					
17.00-17.30h	Coffee Break					
17.30-18.00h	Live Case # 12					
18.00-18.30h	Live Case # 13					
18.30-19.00h	Live Case # 14					
19.00-19:15h	Best Edited Clinical Cases of the Year Moderators: Dr. R. Melgares, Dr. J. Soriano					

## Friday, 7th October

Room	Auditorio	Salón el Doblón	Salón el Comendador	Salón el Escudo	Salón Jardín	Salón Escorial	Salón Hidalgo ?	
8.00-8.30h	Live Case # 15							
8.30-9.00h	Live Case # 16							
9.00-9.10h	TEAM AGUARD for RESEARCH IN INTERVENTIONAL CARDIOLOGY	Practical Skills with Phantoms in Interventional Cardiology from 9.00 to 12.30	Practical Skills with Phantoms in Interventional Cardiology from 9.00 to 12.30					
	Medical Award Winner TEAM 2011							
	Nursing Award Winner TEAM 2011							
9.10-9.40h	Live Case # 17							
9.40-09.55h	State of the Art Lecture Topic: Role of new anticoagulants and antiplatelet therapies in endovascular interventions Speaker: Dra. Roxana Mehran							
9.55-10.15h	Live Case # 18							
10.15-10.45h	Coffee Break					Pausa Café		
10.45-11.15h	Live Case # 19							
11.15-11.25h	Debate: Contribution of the IVUS-FFR in Percutaneous Coronary Interventions Speaker: Dr. A. Pichard							
11.25-11.35h	Debate: OCT is the future and will replace the IVUS-FFR Speaker: Dra. N. Gonzalo							
11.35-12.00h	Live Case # 20							
12.00-12.30h	Live Case # 21							
12.30-13.00h	Live Case # 22							
13.00-14.50h		Case-Review Session # 3  Percutaneous Valvular Interventions Coordinator: Dr. Mariano Larman	Case-Review Session # 5  Structural percutaneous Interventions Coordinator: Dr. Jose Ramón López Minguez	Case-Review Session # 1  Lesions at Bifurcation Coordinator: Dr. Bruno García	Case-Review Session # 4  Unprotected Coronary Left Main Percutaneous Interventions Coordinator: Dra. Josepa Mauri	Case-Review Session # 2  Acute Myocardial Infarction and Lesions containing Thrombus. Thrombectomy Devices Coordinator: Dr. Jose Antonio Baz	Case-Review Session # 6  Technicians and Nursing care updates in Percutaneous Interventions	
15.00-15.25h	Live Case # 23							
15.25-15.50h	Live Case # 24							
15.50-16.15h	TEAM AWARD 2011 TEAM AWARD for the best "e-POSTER" in Interventional Cardiology TEAM AGUARD FOR RESEARCH IN INTERVENTIONAL CARDIOLOGY							
16.15-16.40h	Live Case # 25							
16.40-17.15h	Live Case # 26							
17.15h	Course Closure
